THE NOVELTY IRON WORKS.

To my old friends and the public generally, I am pleased to say that I am now prepared at my new Establishment, the Novelty Works, to execute in the best manner, Loocomotive and Steam Engines, Saw and Grist Mills, Mill Gearing, Machinery of every description, Iron and Brass Castings in every variety, Sheet Cutting, of any desired length and calibre; having the most improved machinery for the purpose to be found in the South.

I employ none but the very best workmen, and expect to put out none but the very best work.

The Novelty Works are under the exclusive management of a practical Machinist, Mr. H. G. BRUCE, who is no superior as an Engineer and Machinist in any part of the country. This establishment was erected exclusively for the benefit of the Citizens of North Carolina, and I can assure them that they need not go out of the State for anything in the above line of business, as I challenge the World to produce a finer STEAM ENGINE or a better MILL than can be purchased at my establishment.

I am now manufacturing several large and small STEAM ENGINES for Saw Mills to which, and to my facilities for Manufacturing them, I would respectfully, call the attention of the public.

NEW FALL AND WINTER GOODS, FOR 1851-2.

ISAAC PROCTER, Merchant Tailor, (Successor to the firm of Oliver & Procter) having purchased on the entire interest of Thos. M. Oliver, in the late firm of Oliver & Procter, I avail myself of the very first opportunity to inform the patrons of the said firm of the fact and to solicit from them the continuance of their support. I have just received a beautiful supply of goods, selected by Mr. Oliver, with great care, from the latest importations, embracing

Cloths, Cassimeres and Vestings of every color and grade, Dress-Shirts, Under-Shirts, Drawers, Cravats, Handkerchiefs, &c., &c.

In fact, everything usually kept by Merchant Tailors or Clothiers. I shall be assisted by Mr. Geo. L. Gould, an experienced Coat cutter, (and a pupil of Mr. Oliver's in fact, having been Oliver & Procter's coat-cutter for the last fourteen months.) I shall have charge of the patronages and vest department myself, and I have had exclusive charge of it in the late firm for the last five years.

Everything will be done that can be done, to give satisfaction and to render the establishment popular with the public. Profoundly thankful for the patronage so liberally bestowed upon us as a firm, I shall endeavor by assiduous attention to business and a desire to please, to merit its continuance.

ISAAC PROCTER.

ALSO.

ON HAND AND RECEIVING, daily, a large assortment of CLOTHING, of every description and style, of my own and Northern manufacture—all of which, being made under my own supervision, I can fully recommend.

Raleigh, Oct. 24th, 1851. 103—

To my Friends and Customers in North Carolina.

HAVING made arrangements to leave the State, at the first of the first of December, and having disposed of my interest to Isaac Procter, (my partner for the last eight years.) I take pleasure in recommending him to those who have stood by me so long, as a gentleman every way worthy of their confidence and support.

I look upon Mr. Procter, without attempting to disguise a broken association, as a man of integrity, and (being totally disconnected with him in business) as being the very best cutter I ever saw. He will be assisted by Geo. L. Gould, a pupil of mine, who has been cutting all the Cloths made up for our customers for the last fourteen months, and has no superior in that department. I have left in the concern all the patterns I have of my customers scattered all over the State, and they may rely upon being as faithfully served, having their cloths, as well cut and made, and the quality of the materials just such as would be furnished, were 'THE BUG,' present in 'propria persona.' I have labored hard to build up a business in North Carolina, and desire that those who have patronized me should continue to uphold my late partner, particularly when assured by me, that they will be as well served as they were under the administration of Oliver & Procter.

THE Subscribers, as Executors of the late Richard Hines, offer for sale the very valuable Plantation he died possessed of, containing about 2700 acres, a little over half of which is cleared and in a high state of cultivation. LEATHER FOR FELL TRADE, AT WHOLESALE AND RETAIL.

WE respectfully announce to our friends and the trade, generally, that we have determined to spare no efforts on our part to give Petersburg a Leather and Finding Establishment, whose stock shall compare favorably with that of any house, North or South. We are receiving from the importers and manufacturers of the Northern Cities one of the largest and best selected stocks we have ever known in this market, and we pledge ourselves to sell our goods as low as any South of New York, and many articles as low, if not lower, than they are to be had, even there, as we have now in full operation a large and well arranged Tannery, from which we shall receive our stock regularly.

We have also Brogans of our own manufacture, which we warrant a superior article.

Also, Shoemakers' Tools and Lasts, together with many other articles usually found in similar establishments, all of which will be sold in accordance with the above statement; and the only way we can prove this, is for purchasers to come and examine for themselves, and we shall be content to abide the result.
